

Elisabeth Genco

Vocalist / Songwriter

My passion is to sing and write songs that will bless and encourage those who have become dissatisfied with life and who ask, "Is this all there is?" And, the "Good News" is ... yes! There is an abundant, exciting life waiting for you now and for eternity ... thanks to the redemptive work of the Lord Jesus Christ!

In December 2005, the Lord enabled me to record an album entitled "Heaven Bound" ... I've been blessed beyond measure by the many wonderful testimonies as to the peace and encouragement listeners have experienced. People can benefit physically, spiritually and emotionally when they hear songs that contain the very words of God. To God be all the Glory! Some testimonies include:

Andrew, a person suffering from depression for many years said, "I don't know what it is about that music, but it makes me feel really good." Later he said, "I listen to 'My Soul Waits For You' every morning as I travel to work."

Mario, a man dying of cancer would sit with his wife, Maria ... holding hands, singing and praising God as they listened to "In the Sanctuary" and "My Soul Waits for You." Both songs were recently sung at Mario's home-going service this past Mother's Day ... They said these songs brought them the most comfort during Mario's last 3 months on earth.

Through the message of these songs, the Lord is comforting those who have released loved ones into His Hands ... and He is reminding us that one day (perhaps soon!) we will meet with them in the air ... "heaven bound!"

My CD "Lifted" was released in December, 2007. Selections that are most meaningful to me are "Lord, You are Wonderful" and "Pray for the Peace of Jerusalem". A powerful video featuring "Pray for the Peace of Jerusalem" can be viewed [here](#). It is my desire that Christians world-wide stand united with Israel in their prayers for peace and for an undivided Israel.
