

Tapestry Ministry

'The Vision'

Dedicated people, striving for excellence,
as they serve the Lord Jesus Christ,
making themselves available to Him
through the use of their various gifts and talents,
those which He has bestowed upon each one of us,
~ for His purpose and good pleasure.

One united Body, working together joyfully,
encouraging each other to reach higher,
and desiring only the best for each other,
thereby becoming all that God
has created us to be
~ individually and as the Bride of Christ.

Threads of gold ~
~ light the way for others,
Silver ribbons ~
~ encourage and spur on ...
Strings of red ~
~ remind us of our purpose,
a vision from above ...

Become a strand of beauty ...
In His Tapestry of Love.
